Moscow United Board Meeting - March 10, 2016

Present: Jan Boll, Dale Graden, Scott Grieshaber, Luke Ordway Peggy Quesnell, Pedram Rezamand, Jen Seegmiller, Dan Strawn, Mike Stubbers.

Commenced at 7:40 pm.

February BOD minutes reviewed. Unanimously passed.

Fundraising

Gritman committed \$3,000 towards the shirts and \$500 towards Palouse Cup. Discussion concerning how to highlight Gritman Hospital's contribution. Players will be purchasing two training shirts. Unanimous agreement on the colors: a blue shirt and a gray shirt. These will include a symbol of Gritman on the back.

Board positions

What is the plan for the fall? We need to be looking for new board members.

Communication

Newsletter was outstanding. Thank you Dan!

Mike and Linda Sprenger Scholarship

When would be the best time to open applications for this award? Perhaps sometime in March/April would be the best time to advertise, meaning just previous to the spring MUSC season.

Parent survey

This survey should be repeated in late spring 2016. This will help with the DoC evaluation. In June, BOD will meet with DoC to discuss the evaluation. We need three volunteers on this committee with regards to the survey. Jan would like to get this started.

Palouse Cup

Things are moving forward. Design is done for the shirt.

Soccerfest / AGM

Elks Club seems to be interested. In the past Soccerfest was on a Wednesday. We need to make a decision on which day of the week. Unanimous support that Soccerfest occur at Mountain View

Park sometime between 16 and 20 May.

Bylaws

One suggested change by Mike. One family receives one vote at AGM. At the April BOD meeting we will have a vote on the bylaws. We need to agree on it.

Summer Academy update

Luke notes that he working with assistant UI soccer coach Laura Jackson with regards to a summer Academy. Luke will provide further update at April meeting.

Club updates

Moscow fields have its own name: Moscow School District Community Playfields.

Games will begin there this spring 2016. Great news! March 21 is the day those fields open.

Club needs share Oylear with LaCrosse on some days.

Scheduling appears to be set.

Fusion teams attended Blue Mountain Exchange. Good tournament.

Curriculum: Luke provided an update.
